CAREER OBJECTIVE

Aspiring AI Developer specializing in Generative AI and LLM-based solutions with a strong foundation in programming, data structures, and algorithms. Skilled in Python, Java, and JavaScript with practical experience in web development, data management, and AI-powered workflows. Passionate about developing intelligent applications using AI agents, prompt engineering, and real-time automation. Quick learner with excellent teamwork and problem-solving abilities.

PROJECTS

1. Tejas Bookpoint System

Technologies Used: Java, HTML & CSS, Javascript.

- Developed a bookstore management system to streamline book inventory, sales, and customer management.
- Implemented CRUD operations for book listings, orders, and customer data using [mention database, e.g., MySQL.
- Designed a user-friendly dashboard for admins to manage book stock, orders, and reports efficiently.
- Ensured responsive design for accessibility across different devices.

2. Blogspot

Technologies Used: Python, HTML & CSS, Django Framework, MongoDB

- Developed a blogging platform that allows users to create, edit, and publish blog posts.
- Implemented user authentication for secure login and registration.
- Designed a responsive UI for seamless browsing on different devices.
- Used MongoDB for storing blog posts, user profiles, and comments.
- Implemented features like search functionality, category-based filtering, and post-sharing options.

3. **Electro Bill Hub**

Technologies Used: Java, JDBC, MySQL, HTML& CSS

- Developed a Java-based application for managing electricity bills efficiently.
- Implemented user authentication for customers and administrators using Java and MySQL.
- Enabled bill generation, payment tracking, and usage reports with dynamic data retrieval.
- Designed a graphical user interface (GUI) using HTML & CSS
- Ensured secure database connectivity with JDBC to store and manage user record

EDUCATION

Degree	Institute Name	Board	Percentage	Year of Passing
MCA	DYPCMR Chikhali	SPPU	-	Pursing
BBA(CA)	Dr. DY Patil Akurdi	SPPU	8.48 CGPA	2024
HSC	Dr. DY Patil Pimpri	Maharashtra board	84.50%	2020
SSC	SVS High School	Maharashtra board	77%	2018

CERTIFICATIONS

• Oracle Certified GenAI Professional
• Oracle Certified Data Science Professional
• Oracle Certified AI Foundation Associate

SKILLS

Python, Java, JavaScript, HTML & CSS, MySQL, MongoDB, Django Framework, Prompt Engineering, LLMs (OpenAI, Gemini),REACT ,Node.js,Typescript & Rust

LANGUAGES

ENGLISH, HINDI & MARATHI
